HAITI

**HUMANITARIAN CRISIS CAUSED BY EARTHQUAKE AND EXTREME POVERTY
THE DOMINICAN FAMILY HELPS IN RECONSTRUCTION EFFORTS**

Members of the Dominican Family in Haiti include Friars of the Vicariate of Haiti (Toulouse) and Sisters from six congregations (Monteils – France; Missionnaires Adoratrices – Canada; Présentation – Rome; Délivrande – France; Petites Soeurs - France; Fátima – Puerto Rico). As of 14 January, we understand that all Dominicans survived the earthquake although some were injured. As we enter into 2010 – the 500th anniversary of the arrival of Dominicans to this land (Hispaniola) – we encourage prayer and financial support by the world-wide Dominican Family for the people of Haiti. For this purpose a Dominican Fund will be created. Donations received will fund both the special “2010 Solidarity Project” (<http://curia.op.org/jubilee>) and continuing efforts undertaken by Dominicans to rebuild Haiti and address human needs there long after this initial crisis.

**IF YOU ARE ABLE TO DEMONSTRATE SOLIDARITY WITH THIS EFFORT THROUGH A
FINANCIAL CONTRIBUTION, PLEASE WIRE DONATIONS EXACTLY AS INDICATED:**
